CHAPTER 624.

AN ACT to authorize the state of Minnesota to acquire and use certain lands in this state for the purpose of constructing and operating a radio repeater station thereon.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

The state of Minnesota is hereby authorized to acquire and use such lands along the westerly border of this state as may be necessary for the construction, operation and maintenance of a radio repeater station to be used in connection with the state-wide, 2-way radio system of the Minnesota highway patrol; provided that the said state of Minnesota pay to the state of Wisconsin or any of its political subdivisions or taxing districts, within which such lands may lie, all taxes and special assessments that may at any time be levied thereon as though it were private property, and that the state aeronautics commission approve the site of such radio repeater station both as to location and height of structures to be erected thereon.

Approved July 13, 1951.
